

## OLGA TESLENKO

My first Labrador, a black bitch, was born in 1983, when I was 8 years old. Since that time I've been deeply involved in Retriever world. First Golden retriever appeared in our family in 1995. For the moment I have two Golden bitches at home, one oldie and one youngster.

Our prefix is "Zvezda Severa", we've bred several International Champions and Champions of different countries. In recent years we practically stopped our breeding due to the lack of time.

I'm a member of Russian Retriever Club Show committee and take an active part in retriever community life. I was authorized as an FCI judge in 2009, now I'm allowed to judge all VIII group and some breeds in V, VI and VII groups FCI. I've judged retrievers in Belorussia, Iceland, Kyrgyzstan, Norway, Poland, Russia and Ukraine.

I've never judged in Sweden, so I'm very much looking forward to the show. Thank you very much for inviting me.

## LENE JOHANSEN

I am pleased to be invited to Judge SSRK Västernorrland and Västerbotten.

My Name is Lene Johansen, I live in Denmark with my Husband Henrik Johansen, and together we founded the Dee-fair Kennel. It was founded in the late 1970, and we registered our affix in 1980. We have through the years emphasized good health, type and hunting abilities. Shows and field trials have been very important activities and has been an important factor in developing the Labrador we have today.

I have been Judging Retrievers at Open Shows since the middle of the 1980, and in several European countries. I got authority licence to judge Labrador Retriever in 2003, and I have Judged in the most of Europe and in the US too, Potomac also. In 2013 I gained the authority licence to judge Group 8 (Retriever, Waterdogs and Spaniels), I got 2 Breeds in Group 7 too (German Wire-haired and short haired), and more is to come in the future. Lately I have Judged Mid Jersey Labrador Retriever Club Show in US, and in April 2019 I was honoured to Judge The Labradorclub Of Scotland Championship Show.

I am looking forward to Judge Spaniels and Retrievers at your Show.
